SEGNALI FESTIVAL
Children's Theater Festival
XXVIIth edition
Milano/Cormano - 4th/5th/6th May 2016

Even this year, with the artistic direction of *Renata Coluccini* and *Stefano Braschi*, *Teatro del Buratto* and *Elsinor* present a new edition of **SEGNALI - Children's Theater Festival**, that will take place from May the 4th until May the 6th.

Festival Segnali - at its twenty-seventh edition - is one of the most important and historical event of Italian Youth Theater and it represents a moment of meeting and dialogue among Production and Distribution Companies in our Country.

In the last years *Segnali* has been realized and supported by *Teatro del Buratto* and *Elsinor*, thanks to the generous contribution of selected Companies.

Segnali involves three different places: *Teatro Verdi* and *Elsinor - Teatro Sala Fontana* in Milan, and *Bi - La Fabbrica del Gioco e delle Arti* in Cormano. Through an intense and rich program of **15 productions** we give particular attention to various forms and styles of theatrical expression.

The *Festival*, as always, will be open to young and adult audience, with shows *tout public* like *Cinema Paradiso*, performed by the apulian company *La Luna nel letto*.

In the evening of May the 5th, moreover, at Teatro Verdi, there will be another important and meaningful moment in the history of *Segnali*: the **EOLD AWARDS** - dedicated to Manuela Fralleone - unforgettable friend of Children's Theater - promoted by Youth Theater Magazine 'Eolo', in collaboration with theatrical and cultural exponents of children's world.
