SUPPORT TO THE NOMINATION OF THE ASSITEJ SERBIA FOR HOSTING ASSITEJ ARTISTIC GATHERING 2023

National Center for Development of Theatre for Children and Youth ASSITEJ Serbia has been working hard and dedicated to empower local theatre scene for children and young audiences for 17 years now and the results of that work are ever more noticeable.

We have been informed and included in the preparations for the nomination of Serbia to host the biggest global annual event in the field of theatre for children and youth, ASSITEJ Artistic Gathering, and we support this nomination that will also mark 20 years of important work of this organization in Serbia.

Ministry of Culture and Information of the Republic of Serbia, and its Sector of Contemporary Creativity, as well as Sector of International Cooperation, find it relevant to support the organization of this event in Serbia in line with our capacities in the years to come.

We hope Serbia will be selected to host this relevant artistic international gathering and that we will be able to host you in our beautiful country in 2023.

In Belgrade, May 8th 2020.
